

# White Hjerte Vodka

## California Corn Vodka

California Corn vodka at its finest. Handmade in small batches. Super smooth, with a hint of natural sweetness. Our White Hjerte Vodka is crafted through an extended fermentation process, column distilled, then double filtered.

### Tasting notes:

An exceptional sipping vodka that is clean, smooth, with a rich mouthfeel. Hints of vanilla, creme brulee and anise, which grows wild in the corn fields outside Sacramento.

750 ml bottles • 80 Proof
